

## **Siren Activation Policy**

Severe Weather Sirens shall be activated under any one of the following criteria:

1. A TORNADO WARNING is issued for Johnson County by the National Weather Service Indianapolis Area Forecast Office.
2. When a Public Safety Officer (Police, Fire, EMS) or a trained Weather Spotter reports sighting a Funnel Cloud or Tornado in Johnson County.
3. When Johnson County is under a TORNADO WATCH and a SEVERE THUNDERSTORM WARNING is issued for Johnson County by the National Weather Service Indianapolis Area Forecast Office.
