

Each proposed and existing tattoo/body piercing facility must complete the Indiana State Department of Health Policy (ISDH) Statement as per 410 IAC 1-5. The model template may be found at the ISDH website listed below:

TATTOO AND BODY PIERCINGS - SECTION E

Model Policy Template for Tattoo and/or Body Piercing Facilities:

The following template is provided to help guide the development and review of facility policies that will meet the requirements of 410 IAC 1-5, Sanitary Operations of Tattoo Parlors (includes requirements for the sanitary operation of body piercing facilities).
