a. Regular meetings - The Board shall hold a regular meeting on the first Tuesday of each month. Whenever the regular meeting date falls on an official holiday or precedes Election Day, another date shall be selected. A schedule of all regular meetings shall be published each year. All regular meetings shall be held in the public hearing room of the Johnson County Annex at the times designated on the schedule of meetings, unless otherwise designated by the Board.

A member may waive the mailing of notice of a special meeting by filing a written waiver with the secretary or by his presence at the meeting.

c. Cancellation - Whenever there is a lack of business for Board consideration, the Chairman may dispense with a regular meeting. In such case, the secretary of the Board shall give written notice of all members, and the news media shall be notified of such a cancellation. Whenever it is determined that a quorum is not available for a regular or special meeting, the Chairman of the Board shall dispense with such meeting, and all business scheduled for such meeting will be automatically continued to the next regular or special meeting. In such cases, the secretary of the Board shall give written or oral notice to the Board members, those having business before the Board, and to the news media. The Chairman of the Board also may dispense with a scheduled regular or special meeting in the event of a natural disaster, snow emergency, or similar causes. In such cases, the secretary of the Board shall give written or oral notice to the Board members and those having business before the Board if possible, and the secretary notify the news media of the cancellation. However, the fact that county highways will be affected by any proceedings does not disqualify a regular member of the board. In addition, a Board member may not participate in a hearing or decision concerning a matter in which he/she has an interest. A member shall declare his/her known conflict of interest. The Board shall enter in its record the fact that its member has a disqualification. - (1) military service;
- (2) illness or other medical condition;
- (3) death of a relative; or
- (4) an emergency involving actual or threatened injury to persons or property.

A member who participates by an electronic means of communication shall be considered present for purposes of establishing a quorum; and may participate in final action only if the member can be seen and heard.

Once the hearing has begun no continuance shall be granted to anyone except for good cause shown or upon motion of the Board. If a continuance is granted by the Board at the time of the hearing, at the request of an interested party other than the Petitioner, the Board will determine whether or not re-notification is required. If re-notification is required, it shall be given pursuant to Article VII herein, and the interested party requesting and receiving the continuance shall prepare and issue the notice and pay all costs associated therewith.

Second or subsequent continuances to either petitioner or interested parties shall not be allowed as a matter of right, but may be granted by the Board for good cause. The Board would then determine whether or not re-notification is required.
